JOINT EMBASSY-USOM MESSAGE

Re: DEPTEL 16

National Broadcasting Service planning committee (WEEKA 14), comprised representatives Ministry Communications, Ministry Education, Ministry Finance, LARC, LPDSA, UNTAB, and UNESCO, has discussed organization service but deferred discussions physical facilities until August arrival British chief engineer supplied by UN. LARC has earmarked Libyan pounds 120,000 for project from 1956/57 funds. Any assistance establishments service contemplated by State-ICA should be made known promptly. Should be welcomed by GOL particularly if it involves any gratis offer equipment or technical services, but connection UNTAB and UNESCO with project may raise some difficulties coordination, especially if project financed from LARC 1957 ICA funds ($7 million) and subject project agreement.
